

Berry Cute Kids Ultimate Checklist

What is an Ultimate Checklist?

Simply stated, the checklist is a collection of Children & Maternity items we accept on consignment. Any parent can use this as a reference for what to consign. The checklist is a parent's tool for quick answers, saving time, and making more money.

Why you need a checklist?

Not only will it generate ideas on items to consign but most importantly it eliminates the 'I wonder if they'll take these' questions. Using the checklist is like using a pizza cutter on pizza; it's just easier - it was made for it! You'll be glad you have the tool in your pocket.

How to use it?

Pull out the checklist when cleaning out, feeling overwhelmed with clutter, OR you need to make some money because let's face it – kids grow quickly and you'll need the next size up soon. If you're just getting started, look at the Jump Start ideas below!
